

OTSEGO TOWNSHIP

Greetings,

This letter is to inform you of a new payment system we have implemented at Otsego Township for taxes and utility payments.

If you are receiving this letter, it is because you have utilized our previous payment system. We wanted to make sure you were aware; Otsego Township will no longer be accepting payments through DOXO soon. We are now utilizing a company called Invoice Cloud. They are one of the payment companies that work directly with BS&A. Invoice Cloud is connected to our system allowing real time payments and current invoice detail for your public utility and property tax accounts.

Please visit otsegotownship.org to check out the new payment system.

I hope this helps with the processing of payments going forward.

Thank you,
Carrie Lunarde-Alexander
